

WHS Orchestra 2023-24 Private Lesson Registration Form

Private lessons will be offered to the Wakeland Orchestra students by area professional musicians again this year. Our instructors are highly qualified and hold advanced degrees in their area of expertise. The lessons will take place on campus. However, each family will make their own decision on location and plan for lessons directly with the instructor.

Most of the campus lessons will be scheduled during Orchestra class time, when possible, but may also be scheduled before and/or after school, during Power Lunch, or at your family's convenience, and in accordance with your instructor's availability.

Frisco ISD screens each private lesson instructor before they can meet with any student for lessons. The length of lesson vs. rate of pay is regulated by the district, and it's based on a standard rate of \$24 per lesson. It is highly recommended that high school orchestra students take more than one 30-minute lesson per week, if possible.

If you are interested in private lessons, please complete the form below and return this entire page to Ms. Duston no later than August 21, 2023.

Upon receiving your request and information, one of our private lesson instructors will contact you to discuss details and options, according to their availability. The open spaces will fill up very quickly!

**Please also fill out this form and return the entire page to Ms. Duston even if you are (already) taking lessons with a Frisco ISD private lesson instructor or one outside of school.*
